Subject: Brochures for Parents of Home Schooled Children

In December 2001, I contacted all of the county school superintendents to determine if you would be willing to help local school districts and the ADE with child find efforts for home schooled youngsters who might have a disability. Following a positive response, the ADE developed the enclosed brochure.

I am providing you with a starter set for your use. Please distribute a brochure when parents register with you as home schooling their children. In addition, if you have any contact with parents who have previously registered for home schooling, please provide them with a copy at that time. The brochure can also be distributed to parents of children voluntarily enrolled in private schools.

We can supply you with as many copies of the brochure as you need with just a little advanced notice. Please contact my assistant Matt Dahl if you need more brochures. His email is [mdahl@ade.az.gov](mailto:mdahl@ade.az.gov) and his phone number is (602) 542-3085.

Thanks for your assistance in this matter.
